

## 45 cm frys för inbyggnad, för panel Heritage-serien

SEK 54,995

### **RFZ45S5FPLS**

Bertazzoni built-in freezer columns are meticulously crafted with the highest quality materials and components, showcasing a commitment to superior design and engineering. These freezers seamlessly integrate with other Bertazzoni appliances, creating a cohesive and high-performing kitchen environment.

With a generous 245L capacity, the internal configuration is thoughtfully designed for maximum flexibility. The refrigerator features 4 crispers, along with 3 height-adjustable shelves and 1 fixed shelf. This versatile layout ensures efficient use of space to accommodate various storage needs.

Interior LED lighting is strategically placed on both the top and sides, providing brilliant illumination while minimizing energy consumption. The intuitive LED touch display enhances user experience, allowing for easy temperature adjustments and activation of functions such as "Super Freeze" and "Vacation Mode." For those seeking a sleek aesthetic, a Stainless Steel Panel Kit is available to seamlessly blend the freezer columns into the overall kitchen design.

Using one of the 3 available handle kits in Professional, Master and Heritage Series style, this built-in freezer integrates seamlessly with all other Bertazzoni appliances into style-harmonized suites for a true, high-performing kitchen.

This attention to detail, combined with advanced features, makes Bertazzoni built-in freezer columns a top choice for those who prioritize both style and functionality in their kitchen appliances.
