

60 cm Built-in Panel Ready Dishwasher with Door on Door Hinges Heritage-serien

SEK 5.995

DW60S2IEPDV

This Bertazzoni 60 cm fully integrated dishwasher is large enough for up to 12 place settings on two racks.

The motor is equipped with a turbidity sensor that automatically adjusts the wash cycle duration based on the level of soil on the dishes, ensuring efficient and tailored performance.

Touch controls with LED display let you access 6 programmes with 2 functions.

The six fixing points, two on each side and two on the top, ensure a stable and precise installation.

E energy rated.
