

60cm Electric Built-in Oven 9 functions Heritage Series

F609HEREKNE

This Bertazzoni Heritage Series 60cm built-in electric oven has a best-in-class cavity capacity of 76 litres. With 9 functions it is ideal for mid-to low- temperature cooking, such as baking or recipes that require slow cooking, like casseroles. The non-convection mode is excellent for baking cakes, while the fan-assisted mode ensures even heat distribution on all five levels for roasting and baking with no flavour crossover. The infrared grill gives powerful searing and grilling over a large surface area. The oven is easily control by metal knobs with soft opening door with metal handle for ease of use. The door is double-glazed for safety and efficiency. Available in Matt Black, Nero décor, Ivory with chrome finish and copper finish.

Specifications
