

## 60cm Electric Built-in oven LED display Professional Series

### **F609PROESX**

This Bertazzoni Professional Series 60cm built-in electric oven offers a best-in-class cavity capacity of 76 litres. With 9 functions it is ideal for mid-to low- temperature cooking, such as baking or recipes that require slow cooking, like casseroles. The non-convection mode is excellent for baking cakes, while the fan-assisted mode ensures even heat distribution on all five levels for roasting and baking with no flavour crossover. The infrared grill gives powerful searing and grilling over a large surface area. The oven is easy to control and monitor with metal knobs and a clear LED display. The soft opening door with metal handle is easy to use and the door is double-glazed for safety and efficiency. Available in Stainless Steel.

# Specifications
