

70 cm freestanding bottom mount refrigerator, stainless steel Master-serien

SEK 19,995

RBM70F4FXNC

This 70 cm freestanding bottom-mount refrigerator has a total capacity of 481 liters. The refrigerator is equipped with 4 shelves, 3 of which with variable height, 3 height-adjustable bins + 1 stationary and 2 drawers with adjustable humidity. The ZeroFresco chiller drawer allows you to better preserve your meat and fish at a temperature of around 0°C.

This 60 cm freestanding bottom-mount refrigerator has a total capacity of 366 liters. The refrigerator is equipped with 4 shelves, 3 of which with variable height, 3 height-adjustable bins and 2 drawers with adjustable humidity. The ZeroFresco chiller drawer allows to better preserve your meat and fish at a temperature of around 0°C.

The Total No Frost cooling system avoids the formation of ice and bacteria. The LED touch interface has been designed for maximum ease of use. The LED illumination ensures perfect lighting on all levels.

The UV-C LED technology eliminates 99.99% of the bacteria in the filter in 30 minutes and 99.99% of the viruses including SARS-cov-2 in 40 minutes. An activated carbon filter effectively filters out odors to keep the refrigerator cool.

Using one of the 2 available handle kits in Professional and Master Series style, this refrigerator integrates seamlessly with all other Bertazzoni appliances into style-harmonized suites for a true, high-performing kitchen.

E energy class.
