

60x45cm Combi-Steam Oven Professional Series

F457PROVTX

This Bertazzoni Professional Series 60x45 cm combi steam oven has 7 functions and a 31 litre capacity stainless steel cavity. It offers the possibility to combine traditional functions with three different steam intensity levels: low, medium and high. The Total Steam function uses pure vapour to deliver a fast and healthy cooking. Controlled with knobs and a TFT display, it features a soft opening door with a metal handle and a removable water tank for a quick refilling. Available in Stainless Steel with solid metal knobs or in Carbonio with metal, titanium look knobs and handle.
